

# UCAT ANZ 2020

## Earplugs

Candidates can request earplugs at most test centres if they wish to use them. At test centres where earplugs are available, candidates must use the earplugs provided and cannot use their own.

**NOTE: The following test centres DO NOT provide earplugs to candidates.**

**Candidates who wish to use earplugs at these test centres will need to bring their own.**

- The earplugs must be disposable and in unopened packaging
- Test centre staff will ask candidates to open the packaging and will visually inspect the earplugs
- Only the earplugs are allowed inside the test room
