

## UCAT ANZ – Test Versions

All sections count down automatically. Once the time in any section has expired you must click the onscreen notification to move on when instructed, otherwise you will lose time from the next section. If you do not need to use the full amount of time in the instruction section you can end it early and move on to the subtest.

NOTE: the 5 minute rest breaks for the UCATSA and UCATSENSA are taken during the instruction section before each subtest.
