Any data collected provides the Consortium with the means to administer an effective, reliable test, verify its fairness and internal reliability, and allows the UCAT ANZ Consortium to undertake quality improvement and research related to selection to medicine and dentistry.

Data analysis for quality improvement and research is undertaken only on anonymised data. The Consortium undertakes to ensure that no individuals or groups can be identified in any published reports or research undertaken on its behalf.

None of the data collected below is passed to Universities during or after the admissions cycle. For further details regarding the collection, security and use of your data please refer to the [Data Privacy Policy](#) on our website.

The UCAT ANZ is a high stakes test and test centre staff have no discretion to waive or vary the ID rules.

If you are refused admission to the test centre due to ID issues, you will not be able to sit the test and will lose your test fee. You will not be eligible for a refund.

Under these circumstances, you can rebook a new test appointment at your own cost (subject to availability). This will be difficult towards the end of testing when availability of test appointments will be limited.

For information about rebooking a test, refer to information under Missed Test Appointment.

Reschedule Policy

You can reschedule your test up to 24 hours before your test appointment time.

To reschedule, log in to your [Pearson VUE account](#).

If you miss the deadline for rescheduling, you will not be eligible for a refund and will have to pay the test fee to rebook (see Missed Test Appointment).

During the reschedule process, once you have selected a new appointment there are several more steps to complete before the reschedule is confirmed. If you do not receive an email confirming the reschedule you have not completed all the necessary steps.

You cannot reschedule a test by email.

Rescheduling is subject to the availability of appointments. In some circumstances you may need to travel to another location if there are no available appointments at your preferred test location.

Missed Test Appointment

If you miss your test for any reason you can rebook another appointment at your own cost by calling [Pearson VUE Customer Services](#).

This applies in cases of:

- Illness or personal circumstances.
- Family emergency, accident, transport problems and security alert as well as forgetfulness and lateness.
- Presenting incorrect or invalid identification, or other issues with your identification.
- Missing the rescheduling deadline.
- Failure to follow the correct steps to reschedule your test.

You must wait until your appointment status changes to a 'no show' before rebooking your test (usually 24 hours). The standard test fee is charged to book a new appointment.

Rebooking is subject to the availability of appointments. If you book a test in the final weeks of testing and miss your test, you may have difficulties rebooking.

Cancellation Policy

Tests can be cancelled for a refund by the cancellation deadline of 10 June 2023 (11:59pm AEST). A refund fee of \$50 will be deducted. The late fee and final late fee is non-refundable.

To cancel the test, login to your [Pearson VUE account](#).

If you miss the cancellation deadline of 10 June 2023 (11:59pm AEST), your test fee will not be refunded.

Additional Information

Test Day

UCAT ANZ 'Fit to Test' Policy

Candidates who present themselves to sit the test are declaring themselves fit to take the test.

If you are aware of anything that might affect your performance on the day, you should not sit the test. This applies even if you fall ill or experience issues on the day of your test.

If you are not fit to test, you should reschedule your appointment to a later date, even if you have missed the rescheduling deadline and must pay the test fee again to rebook.

If you choose to sit your test against this advice, UCAT ANZ will not accept this as mitigating circumstances.

Earplugs

The majority of test centres will provide earplugs to candidates who wish to use them.

Please refer to the [Test Day](#) information for the test centres that do **not** provide earplugs to candidates. Candidates who wish to use earplugs at those test centres will need to bring their own. Refer to the Test Day page of the UCAT ANZ website for full details.

Candidates sitting the test in centres **outside** Australia and New Zealand are advised to bring their own earplugs in case their test centre does not provide them.

Check-in process and Examination Rules

The [Test Day](#) page outlines the check-in process and what to expect at the test centre.

Familiarise yourself with the [Examination Rules](#) which you will be asked to read and agree to during check-in. The rules explain what you must do if you experience any issues during testing. The process to request an investigation into an incident is given at the [Test Incident](#) page.

Taking the Test

You may only take the test once in any test cycle. Instances of multiple testing in the same test cycle will be treated as [candidate misconduct](#) and all results will be cancelled.

UCAT ANZ Results

After you have completed your test you will receive an email from Pearson VUE within 24 hours with instructions to access your UCAT ANZ Score Report in your account.

The UCAT ANZ Office will provide your results to the UCAT ANZ Consortium universities by early September. You do not pass your results to the universities yourself. Refer to the UCAT ANZ website for further information about your [UCAT ANZ Results](#).
